	Emergency) Certificate of Public)	APPROVING NAME
	Convenience and Necessity for Operation of)	CHANGE
	Motor Vehicle Carrier)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of the request of Nicholas Edwards d/b/a Steady Ready Transport (the “Applicant”) whereby the Applicant seeks approval of an amendment to the Application for a Class C (Non-Emergency) Certificate of Public Convenience and Necessity to reflect a change in the name appearing on such Application. The Application for a Class C (Non-Emergency) Certificate was filed on September 1, 2021, and the Commission granted the Applicant authority to operate under a Class C (Non-Emergency) Certificate by Commission Order No. 2021-614, issued September 17, 2021.

The Applicant requests approval to amend the Application on October 5, 2021 with the following name change:

FROM: Nicholas Edwards d/b/a Steady Ready Transport

TO: Steady Ready Transport, LLC

It appears from the Applicant’s request that the relief requested is a change in the name appearing on the Application and approved by the Commission. Also, it appears that the change of name does not otherwise involve a change in operation of the business.

Based upon a review of the matters asserted in the present request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED THAT:

1. The relief sought in the request for modification of the Application for a Class C (Non-Emergency) Certificate of Public Convenience and Necessity of Nicholas Edwards d/b/a Steady Ready Transport by changing the name to Steady Ready Transport, LLC is approved.

2. This approval is for a change in the name but does not authorize any change in the operation of the regulated services.

3. The Applicant shall make all required amended filings with the Office of Regulatory Staff related to the amended authority granted by this Order, including an updated insurance filing (Form E) reflecting the name change, within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission should an extension of time be approved.

4. Upon compliance with the filing of amended information with the Office of Regulatory Staff, a Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided in this Order.

5. Prior to compliance with such statutory and regulatory requirements and the receipt of such Certificate, the motor carrier services authorized by Order No. 2021-614 may not be provided under the amended name.

6. Failure of the Applicant to complete the above process within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the

Commission should an extension of time be approved prior to the expiration of the ninety (90) day-time period, shall cause this Order to become null and void, thereby rescinding the authority granted to amend the Applicant's name. In this event, the request for modification shall be dismissed without prejudice, and no further action by the Commission is necessary.

7. The ORS is requested to furnish to the Commission, every two months, the names and docket numbers of those applicants whose Order becomes null and void under the terms of the previous paragraph.

8. This Order shall remain in full force and effect until further order of the Commission.
